

Coventry Health Care of Missouri, Inc. (“Coventry Health Care”) is proud to announce our most recent recognition, the 16<sup>th</sup> Annual Greater St. Louis Top 50 Award, presented by the St. Louis Regional Chamber & Growth Association (RCGA) and RubinBrown.

The Top 50 Award program recognizes companies and organizations that have made significant contributions to the St. Louis region and have positively influenced the future of the St. Louis business community.

This prestigious award affirms our belief that quality health care begins at home. At Coventry Health Care, we recognize that our corporate responsibilities extend beyond the health care environment. As a proud member of the St. Louis community since 1978, we assist various charitable organizations to support our local partners.

We are proud to be a member of this community and to serve those who live and work in the St. Louis area. For more information on the RCGA and their Top 50 Award program, visit [www.stlrcga.org](http://www.stlrcga.org).
